### Questions:

1. When church leaders have encouraged you the most in your spiritual journey? Have you ever been hurt by a church leader?
2. What positions of leadership do we have in our church? How do they function? Which ones serve as elders? Deacons?
3. What evidence does the overseer at FBC show that he depends on the Gospel?
4. In what ways is Cody accountable to the church?
5. What does Paul mean by the qualification "able to teach" (3:2), and why is this essential to the duties of an overseer or elder? Consider 1 Timothy 5:17; 2 Timothy 2:24-25; Titus 1:9.
