1. Is there a right and wrong way to wage war? What's the difference?
2. Who are we at war with? (Satan) What can happen if we think we are at war with someone or something other than Satan? What happens if we think we are not at war?
3. Do you think it's dangerous to name names when people are teaching bad doctrine?
4. Have you ever been in danger of "shipwrecking" your faith? How did you get out of danger? Is there hope for people who have wrecked their faith and testimony?
